---

**Chief Product Officer, Chief Digital Officer, Managing Director and Founder** with a track record of building category-defining businesses across smart home, fintech, healthtech, AI, drones and energy. Led teams of 500+ with direct P&L responsibility at **Hive (Centrica)**, **Smart Tech (Vodafone)** and **Etc. (BT Group)**. Currently CDO at **Nido & Livensa Living**, a CPP Investments PE-backed pan-European platform spanning student, flex and hotel accommodation, and co-founder of **Boxxed.ai**.

---

## CURRENT

### Chief Digital Officer

2025 – present

Nido & Livensa Living, London & Madrid

- Built and led a full digital and technology team driving end-to-end transformation across a CPP Investments PE-backed pan-European accommodation platform spanning student, flex and hotel
- Delivered the full platform stack including a unified data warehouse, web platform with property management and booking, and a resident app managing the in-stay experience
- Established an Innovation Labs model to rapidly prototype and validate AI-powered concepts across the business

### Co-Founder & Chief Product Officer

2025 – present

Boxxed.ai, London

- Building a GenAI platform with live paying clients, helping SMEs embed AI across their workflows for greater efficiency and growth
- Leading product strategy including a briefing agent, performance agent, campaign management architecture and media sweep tool
- Supporting fundraising through pitch development, investor engagement and scale-up positioning

## EXPERIENCE

### Managing Director & Founder

Feb 2022 – May 2025

Etc. at BT Group, London

- Served on BT's Digital & Technology Board alongside CDO, CTO and CFO to shape group-wide strategy and investments
- Scaled two ventures (Drones, ActiveIntel) into divisions valued over £500M each, restructured a digital marketplace cutting capex by 60%, and developed NHS-commended health platform reducing GP demand by 35%
- Built BT's first cloud-native PCI-compliant payments platform enabling £150M in cost savings and supporting billions in transactions. Launched UK's first commercial drone corridor
- Built and led a cross-functional team of 500+ with an 85% engagement score

## Chief Product Officer

Aug 2019 – Feb 2022

Smart Tech at Vodafone Group, London & Berlin

- Founded and led Vodafone's Consumer IoT division, launching 10 products in 3 years across 13 countries
- Delivered award-winning products including Curve and Neo in partnership with Disney, winning GLOMO, iF Design, Red Dot and Good Design awards
- Led Group-level product design including the Ultra Hub broadband platform, now launched in every Vodafone country
- Rolled out a full agile product structure across Vodafone Group, mirroring the SmartTech operating model

## Founding Partner & Chief Product Officer

Feb 2012 – Aug 2019

Hive (Centrica), London · Milan · New York · Houston

- Founding partner and CPO, serving on the Hive Board influencing investment, acquisitions and international market expansion
- Scaled Hive from zero to over 5 million users, becoming the UK's number one smart home brand
- Designed and launched 15+ products including the UK's best-selling thermostat with Yves Béhar. Built the Honeycomb IoT platform
- Created joint energy propositions driving 30% new-to-brand acquisition and increased cross-sell by 10%

## Chief Product Officer & Board Advisor

CatchMedia & PlayAnywhere, LA · Israel · London

- Shaped product and brand strategy for a global media tech startup with operations across India, Israel, Japan and the UK
- Secured major distribution deals reaching over 500 million users and supported £25M in investment
- Retained as board advisor to guide international growth and product expansion
